KONA SURF CO.
103 E Rio Grande Ave
Wildwood, NJ 08260

Hello Mike & The Kona Surf Co,

I am writing to you to express my interest in the part-time position at KONA SURF CO. as advertised on Indeed. As a near graduating Computer Science student with hands-on experience in Visual Basic, web design, and e-commerce, I am excited about the opportunity to contribute to your team and further develop my skills in a professional setting.

Growing up in the Villas and being an avid skater in the area, I have a deep connection to the local community and a passion for KONA SURF CO.'s mission. My academic journey has provided me with a strong foundation in various programming languages and technologies, including Visual Basic, Java, C++, Python, JavaScript, CSS, and HTML. Additionally, I have practical knowledge in database management with MySQL, SQL, SQLite, and H2 databases, as well as setting up shared drives.

My extensive experience with Microsoft Excel, Word, and Outlook has enabled me to manage data and streamline workflows effectively.

At the top of my classes in some of the most challenging Computer Science courses, such as Data Structures and Algorithms, Discrete Math, Programming and Problem Solving, C++, and Computer Organization, I have demonstrated a strong academic performance and a commitment to excellence. My passion for learning, combined with my technical skills and local roots, make me confident in my ability to contribute positively to your team. I am eager to bring my expertise to KONA SURF CO. and grow professionally in a dynamic and supportive environment.

I look forward to any opportunity to discuss how my skills and experiences can align with the needs of your team. Please feel free to contact me at (609)-602-9615 or via email at Joshuaalvarez13972@gmail.com to schedule an interview.

Sincerely,

Joshua Alvarez
